

Middle Georgia Regional Plan

Putnam County Stakeholder Meeting Notice

Monday, January 25, 2016

3:30 PM

County Administration Building – Board Room

117 Putnam Avenue, Eatonton, GA 31024

The Middle Georgia Regional Commission (MGRC) is currently developing updates to the Regional Plan, a 20-year planning document that will identify regional issues and opportunities, develop goals and objectives, and inform work by the Regional Commission and its member local governments.

MGRC staff will hold this community meeting to receive stakeholder feedback focused on identifying the major challenges and opportunities for Putnam County, particularly as related to future development within the county.

This meeting will be open to members of the general public and community stakeholders, including, among others, city and county elected officials and staff.
