A Land Disturbance Permit is required for the following:

- Any land disturbance within 200 feet of state water or within a common development with an NOI dated August 1st, 2000 or after, is required to obtain a land disturbance permit, which shall be submitted to the GSWCC in Athens reviews. If a state water determination is needed, please contact Lisa Jackson or Jay Johnston at 760-485-2776.
- When disturbing one acre or more, a land disturbance permit is required.
- No land-disturbing activities occur within 25 feet of a warm water stream unless such activity is permitted or exempt according to a state EPD buffer variance.
- All land disturbance applications and local fees should be submitted to the Putnam County Planning and Development office.
- Please follow the LDA process below for all submittals.
- LDP's must be approved and issued prior to the issuance of a building permit
