Permit Acknowledgement To Putnam County, Georgia

Lead-Based Paint, Asbestos, and Other Environmental Issues
Under Georgia Environmental Protection Division (EPD) for
Projects Involving Renovation, Repair, Painting or Demolition

The undersigned hereby acknowledges that the issuance of this permit does not in any way grant permission to the owner, owner's representative, or permit holder to proceed without complying with the environmental requirements of the Georgia Environmental Protection Division (EPD). There is the potential for multiple environmental issues, including but not limited to, Lead Based Paint, Asbestos, Solid Waste, and Demolition requirements. The requirements depend upon the nature of the project and the type of building(s) involved in the project. The Georgia EPD Rules may require training, licenses, certifications, and EPD notification in addition to your city permit. The rules include, but are not limited to:

Lead-based Paint Hazard Management (LNP Activities & RRP)

Georgia/EPA Asbestos NESHAP

Georgia Asbestos Removal & Encapsulation

Georgia Comprehensive Solid Waste

You can get more details concerning the EPD requirements by going to their website @ <http://www.gaepd.org/Documents/Indexland.html> or by calling the Duty Officer of the Lead-based Paint & Asbestos Program @ 404-363-7026.
